The Trustees present their Annual Report together with the financial statements and Independent Examiner's report of the charitable company for the period 1st April 2020 to 31st March 2021. The Annual Report serves the purposes of both a Trustees' Report and a Directors' Report under company law.

The registered charity provides services for people with disabilities from 8 years upwards serving the catchment area of West Essex. The charity had a register of 134 service users as of 31st March 2021.

Structure, Governance and Management

Method of Recruitment and Appointment or Election of Trustees

A Board of Trustees comprising not less than five and up to eighteen persons is elected at the Annual General Meeting. This Board governs Accuro. The trustees serve a term until the next Annual General Meeting where all are eligible for re-election.

Co-option to the Board is permitted up to a maximum of 5 additional trustees which may include one representative of Essex County Council.

The Board meets regularly throughout the year and operates a sub-committee with responsibility for overseeing financial matters.

Details of the trustees who served during the year are included in the Reference and Administrative Details on page 4. The Board recruits new Trustees to maintain a wide range of skills to maximise the contribution of the board towards the goals of the charity. Each Trustee is responsible for a different area of business depending on their personal skills and expertise.

Policies and Procedures Adopted for the Induction and Training of Trustees

Potential trustees attend meetings firstly with the Chair of Trustees and secondly the Operations Manager. They are then invited to join the Board as an Observer. If both the individual and existing trustees are satisfied with their respective performance, they are elected to the Board. Trustees are inducted to the charity through a series of 1-1 sessions with the Chair, Operations Manager, Accuro staff as well as attending Accuro Clubs/ projects. A DBS check and Safeguarding training are completed and further training is provided on an ad hoc basis depending on the needs of the charity and the Trustees.

Achievement and Performance

Charitable and Activities

Youth Groups

Under 19's, Cool Connections and Loughton Youth Group

Accuro's youth groups are delivered in Saffron Walden, Dunmow, Harlow and Loughton. The young people who attend the groups enjoy the time to meet and make friends in a **"place where they feel accepted"**. They are supported by staff to enjoy activities that any other teenager would enjoy. All the groups support young people from the age of 11 to 19.

Saturday Play Club

Saturday Play Club is held on a Saturday in Saffron Walden and provides a fun place for children and young people to come together and have fun, through interacting with others and taking part in fun activities. Once it is safe to do so, the club will return to horse riding, an activity provided on a weekly basis prior to Covid 19.

The Saturday Play Club is for children and young people from the age of 8 to 19.

Holiday Scheme

The Holiday Scheme operates across the whole of West Essex in Uttlesford, Harlow and Epping Forest and provides exciting activities during school holidays. There is a mixture of activities on base such as Chef Training, Dance workshops and activities in the community such as The Gaming Hub and outdoor pursuits. The Holiday Scheme is for children and young people from the age of 8 to 19.

AFS (Adult Friendship Scheme)

The Adult Friendship Scheme operates in Uttlesford and Harlow and provides social opportunities to adults through group socials where adults come together to take part in activities such as Abba nights, chair Zumba and many more. The scheme also has group events where small numbers of adults meet to do things such as bowling and pub meals. Additionally, there are small interest groups that take place to do things such as walking groups.

Trustees Report for the year ending 31 March 2021

Year - 1st April 2020 to 31st March 2021 – Covid 19 Pandemic

2020/2021 has proved to be a very different year for everyone and this greatly impacted on how Accuro could deliver services and engage with the children and young people and adults who access our services. For a very brief part of March 2020, we were able to provide face to face services to children, young people and adults. However, as the month progressed, we moved into the COVID-19 pandemic and in line with government guidance we had to cease our face-to-face delivery for children and adults.

"Zoom Sessions have been a lifeline for my daughter."

-Parent, Sept 20

This period has been exceptional and something that we have never had to deal with before. We are very proud as an organization, that we rose to the challenge after the lockdown was enforced on 23rd March 2020 by very quickly utilizing online platforms (Zoom and a private Facebook page) to be able to stay connected with the children/young people and adults we work with in Uttlesford, Harlow and Epping.

"She was delighted to be able to see the Accuro staff and her friends this way.. They provided some much-needed fun in these difficult times we've all experienced"

-Parent, Apr 20

As the situation continued, we created a flexible delivery approach by operating a mix of online and face to face services (restrictions allowing) alongside activity packs, resource box, doorstep visits, challenges, individual service user quizzes to encourage engagement and welfare calls.

Zoom sessions were planned with ideas from the children/young people and the adults about what they would like to do. We developed and delivered **activity packs** to do at home, we provided regular **welfare calls**, and stayed connected with all our service users and their families and provided the support that they needed during this time, including **signposting and referrals** as appropriate.

Throughout the COVID period Accuro have provided a holistic approach and supported the whole family as many parents and carers were talking to us about how they were struggling with the lack of 'normal' short break respite.

"The scheme was absolutely brilliant. Extremely well put together. R loved that she had a box of goodies to open for sessions."

-Parent, Aug 20

"I don't have many friends from school that text me so I like that I can still talk to my friends from club"

-Club member, Apr 20

Accuro has learnt new ways of working via digital platforms to stay in contact with the service users and their families. We will continue to utilise digital platforms and explore developments in this area.

Trustees Report for the year ending 31 March 2021

How we stayed connected...

- Phone calls
- Closed Facebook page
- Video content uploads
- Live Zoom sessions
- Text check-ins
- Activity packs in the post
- Outdoor walks (as restrictions eased)
- Doorstep visits
- 1:1 sessions
- Resource boxes for zoom sessions

Trustees Report for the year ending 31 March 2021

We quickly adapted our services to 'stay connected', listening to our service users and their families to understand what they needed and wanted from us.

We developed and delivered NEW remote services including social media content to engage with families who use our services via a closed private Facebook page "Staying Connected" where parents could opt in to view our posts and create posts of their own with their children.

We also created online activities and video content which included craft workshops, exercise classes and sensory integration sessions which were well received. We also shared resources for activities such as keeping busy checklists, easy recipes and colouring competitions which were scheduled regularly on the Facebook page. We started live sessions over Zoom for our youth clubs and Adult Friendship Scheme so we could continue to nurture the friendships which provided an opportunity for a relaxed catch up or a fun quiz or game.

"I was very happy after his first zoom meeting this week. Seemed to lift him up from the doom and gloom that's about at the moment."

Adult Friendship Scheme Bake Off

In May 2020, our adult members were set a challenge to create 3 bakes: signature biscuits, technical cheesecake and a "showstopper". We had winners in each area and the members loved showing off their creations!

We continued setting monthly 'challenges' for young people and adults such as outdoor scavenger hunts, craft competitions and wellness walks.

Trustees Report for the year ending 31 March 2021

Looking forward

In January 2020 we conducted a stakeholder survey, which identified the gaps in services and the demand for new projects.

76% of respondents said they were positive about the idea of Stay and Play for under 8s, and **89%** of respondents were positive about Accuro providing 19-25 year old specific projects

With reference to stay and play, we were told "There is big demand for support for Under 8's" and "There is no current provision for this age". People also commented that Accuro's current Adult Friendship Scheme covers a wide age range, and 19-25 year old don't want to "hang out with over 40's"

Therefore, in September 21, we are proud to be launching 3 NEW projects:

- 1) **Stay and Play** 'drop in' sessions in Saffron Walden will provide an opportunity for children under 8 with a disability to meet and make friends as they start their lifelong journey with Accuro. Stay and Play also provides an opportunity for parents and carers to meet, talk, and gain support from one another.
- 2) **YAFS** (*Young Adult Friendship Scheme*) for young adults, a new 19-25 Adult Friendship Scheme offers fun evening activities for people with a disability aged 19-25 to socialise and make friends in a safe, supportive environment.
- 3) **STRIDE** (*Skills - Togetherness - Relationships - Independence - Diversity - Equal Opportunities*)

STRIDE is a new life skills project for young adults with a learning disability in Harlow. The 6-month programme will cover healthy living, personal care, household tasks, how to keep safe, social and communication skills and much more.

Sensology

In Summer 2020 we began to provide 1:1 sensory engagement sessions as part of our Holiday Scheme and this was then expanded in October half term in to group activities. The introduction of Sensology was in response to feedback from parents which highlighted the lack of holiday clubs that provide fully inclusive sessions for young people with PMLD (profound multiple learning disabilities) and sensory processing needs. Following this we introduced activity days designed to be fully accessible to those with sensory integration and communication needs. 'Sensology' sessions include a structured timetable with activities to regulate and stimulate the senses, including vestibular and proprioceptive movement breaks. Parents have told us their children have come home feeling relaxed – "her perfect day!"

Trustees Report for the year ending 31 March 2021

Evaluation

We listen to our club members who have a very active role in planning forthcoming sessions/activities, through evaluation tools such as “Cool Walls”, visual surveys and discussions. This allows the young people and adults to have ownership of their clubs and means our programmes are delivered to meet current needs and interests.

All Accuro’s clubs and schemes provide person-centered leisure opportunities within a nurturing environment where the children, young people and adults feel accepted and safe whilst being supported by a dedicated staff team and volunteers. We enable those who use our services to belong, contribute and thrive.

The Accuro Stakeholder Survey 2020

The Accuro Stakeholder survey was carried out and sent to parents, services users and staff who are involved with Accuro; this enables us to monitor and evaluate the services provided. From the responses collected the following responses were received.

- 100% of service users feel confident about themselves at Accuro
- 94% of parents agree their child is less socially isolated and has increased social opportunities at Accuro.
- 100% of respondents were proud of Accuro and would recommend us to another family.
- 97% agree that Accuro provides opportunities for local people with a disability to belong, contribute and thrive.
- 100% of service users are happy and look forward to coming to Accuro.

During the year ending 31 March 2021, Accuro provided the following principal services, providing face to face where possible in line with government guidance. During lockdown, services continued online, by post (including challenges and activity packs), telephone contact and Zoom sessions.

Trustees Report for the year ending 31 March 2021

1. Preserve the valuable services on offer

Although this has been an exceptional year due to Covid 19, the organisation has continued to deliver services and support the children, young people and adults and their families. During the reporting period, the charity continued to invest in a process of significant transition to preserve services, ensure sustainability and prepare for future development.

We are very proud that during 2020/2021 and in the exceptional period of the COVID 19 Pandemic, we have continued to operate and deliver a range of services to children, young people and adults and support their families. Services were provided remotely via digital, platforms, post, doorstep visits and face to face delivery when it was safe to do so.

A review of our current projects was carried out in 2020, this has led to savings and efficiency in their operation. During the reporting period, the charity preserved income and sustainability by accessing the Furlough Scheme and emergency COVID-19 funding available.

While the charity remains vulnerable due to the need for on-going fundraising, detailed planning for grant and community fundraising continues to progress, showing a greater diversity of income.

2. More effective fundraising

By having a Fundraising Manager and a focused grant Bid Writer, the charity is becoming less reliant on commissioned funding for projects going forward. 'Return on Investment' matrices are produced each month to ensure fundraising efforts are bringing in/achieving results. This strategy is already enabling Accuro to raise funds more effectively and improved reporting enables the Finance Committee to take a more interrogative approach to performance.

COVID-19 has a significant impact on fundraising during this financial period in particular for community events and corporate fundraising but we continued to raise awareness and funds through virtual activities and events in line with guidance.

We have been able to access some COVID-19 emergency funding to help us through the pandemic.

The fundraising team have continued to be focused and forge on through this very difficult period and secure funds to enable Accuro to survive and thrive.

3. Improve Branding and develop PR profile

Accuro's brand is becoming more known in the local community. The work around organisational branding is evident in the consistent approach throughout this pandemic period, we have managed to remain visible in the press, Facebook and other digital platforms, through our website and the addition of the Accuro Out Loud podcast.

Trustees Report for the year ending 31 March 2021

4. Increase the range and diversity of the offer (sustainably), focusing on post-16 and Life Skills provision.

The work to increase the range and diversity of the Accuro offer has progressed and in September 2021, we are launching 3 new projects, Stay and Play, Young Adult Friendship Scheme and STRIDE. These projects will enable us to support children and young adults where gaps in services were identified.

5. Better use of strategic collaboration

Through this exceptional period, Accuro have continued to remain in contact with similar local organisations – such as Buffy Bus, Grove Cottage, Sam's Place and Rainbow Rural and additional Essex County Council Short Breaks providers through regular provider online meetings. Contact has been maintained with various Councils for Voluntary Services, Essex Youth Services, local government, Think Family and key funders – such as Essex County Council, the Essex Community Foundation, Children in Need, The National Lottery, The Henry Smith Charity, Uttlesford District Council, Edward Gosling, Garfield Weston, The Will Charitable Trust and others. This partnership approach will continue so that future collaboration can take place.

Action for Children, Lead Provider for Essex County Council continue to commission five children's services which include The Saturday Play Club, Under 19's, Loughton Youth Group, Cool Connections and the Holiday Scheme from Accuro. When it is safe to do so during Covid 19, our youth groups operate from purpose-built youth buildings owned by Essex County Council's Youth Services, with whom we have an ongoing partnership. Saturday Play Club is delivered from the ECL (Essex Cares Limited) building in Saffron Walden and Dame Bradbury's School, Saffron Walden.

We have been able to secure a peppercorn rent period from the Landlords of Tocher House which assists in the sustainability of the organisation.

Financial Review

The financial statements illustrate a net surplus of £180,487 contrast to a deficit of £90,023 in the previous financial year. The deficit in 2020, which was covered by Accuro reserves, was due to a significant reduction in income as we reached the end of a multiyear funding partnership with Games Aid and a reduction in commissioned income. The surplus is largely due to receiving restricted COVID-19 Emergency grant funding to support Accuro's projects throughout the pandemic.

Going Concern

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Trustees Report for the year ending 31 March 2021

Covid-19

Like many charities, at the time of filing this report, we are dealing with the impact of Coronavirus. Whilst this is disrupting our service delivery, we have taken appropriate steps to protect the charity's financial position by accessing the Job Retention scheme, furloughing staff and applying for Coronavirus funding, grants and having a contract with Action for Children which in part covers the cost of our projects under Essex Shortbreaks. Appropriate staff were left in place for Accuro be able to provide online interaction, postal contact and welfare calls so that contact was maintained with the children, young people and adults who utilise our services and their families. Accuro worked hard to introduce the use of digital platforms at the very beginning of the lockdown which enabled us to progress to online workshops during the summer holidays. We have liaised with venues that we utilise to ensure that Covid safe risk assessments are in place, this has meant that we have been able to provide face to face services for the children, young people, and adults where possible. These steps have ensured that we can provide services through the continuing pandemic.

Reserves Policy

The charity aims to maintain in the region of 6 months of free reserves, based on the previous financial year's total turnover. This reflects the requirement on Trustees to maintain sufficient reserves to meet unforeseen circumstances and to ensure that, should the Charity / Company Limited by Guarantee need to be wound up, it can meet the organisation's financial obligations. The directive for free reserves is recorded in the Board Minutes.

A minimum rolling capital reserve balance of £10,000 is to be held to fund future capital expenditure.

Restricted reserves can only be used for a purpose or remit within the overall charitable aims and they can only be carried forward as reserves if the terms of the funding apply. The Trustees will review the Reserves Policy annually.

The free reserves balance as of 31st March 2021 was £196,646 which is in keeping with the Reserves Policy.

Trustees Report for the year ending 31 March 2021

Investment Policy

The Memorandum and Articles of Association enable the organisation to make investments at the discretion of the Trustees. The current policy is to invest surplus funds in a range of charity accounts with robust financial institutions. None should contain more than the £85,000 guaranteed by the FSCS.

Financial Management

Responsibility for managing the organisation's finances rests with Trustees. Authority is delegated to the Operations Manager and Finance Officer to control the day-to-day business income and expenditure.

Funding Streams of £10,000 and above in 2020/2021

Action for Children £ 159,260
Essex Community Foundation – COVID-19 Emergency Fund £15,000
Uttlesford District Council – Voluntary Sector Grant £10,000
The Henry Smith Charity £60,000
The National Lottery Community Fund £60,000
Garfield Weston £15,000
COVID-19 Discretionary Grant £10,000
Children in Need £10,000

Principles Risks and uncertainties

The Trustees have a duty to identify and review the risks to which the charity is exposed and to ensure that appropriate controls are in place to provide reasonable assurance against fraud and error. Accuro operates a Risk Management Policy alongside a Risk Register which is reviewed regularly by the Board where the prevention and mitigation of risk is actioned.

Plans for the future

For the ongoing sustainability of the charity, we will continue to look at different ways of accessing funds both in terms of traditional fund raising, corporate support, grant making bodies as well as looking at how we create revenue streams from our services.

Funds Held as Custodian Trustee on Behalf of Others

There are no arrangements in place where trustees act as custodians for third parties.

Trustees Report for the year ending 31 March 2021

Income

Grants are recognised in full in the Statement of Financial Activities in the year for which they are receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Revenue from fundraising activities, fees and commissioned services are recognised in the period in which the services are provided in accordance with the stage of completion of the services provided the amount of revenue and stage of completion can be measured reliably.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Tangible fixed assets and depreciation

ACCURO (CARE SERVICES)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees for particular purposes.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Leasing

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged to Statement of Financial Activities as incurred.

Pension costs

The company operates a defined contribution pension scheme. Contributions payable are charges to the Statement of Financial Activities in the period to which they relate.

Taxation

The company is exempt from corporation tax on its charitable activities.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Trade and other debtors, cash at bank and creditors are recognised at cost which is their fair value and fixed assets are valued at cost less depreciation.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Accrued income and tax recoverable is included at the best estimate of the amounts receivable at the balance sheet date.

Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Significant accounting estimates and judgements
