

Our Holiday Scheme and **its impact**

Every summer we run a six week Holiday Scheme for 8—19 year olds with a disability and offer a wide range of inclusive leisure and social activities for all to enjoy.

Last summer, our Holiday Scheme ran for **24 days** and **61 children and young people accessed the scheme**. Activities were very wide ranging, from outdoor pursuits, to days out at the seaside, we worked hard to cater for all interests based on feedback we received. **We provided 960 hours of support to our members and respite for family and carers.**

Here are some quotes taken from our recent parent/carer Summer Holiday Scheme survey 2023...

"It's the first time in 8 years [my son] has been away from us and been happy."

"The holiday scheme kept my child occupied and happy. Without Accuro, she wouldn't have socialised during the summer break, so we're very thankful for Accuro."

"[My son] really enjoyed his days with you. He was obviously happy when we picked him up and this was really lovely to see. You made him very welcome and I felt safe leaving him."

"[My son] cannot really tell us his thoughts on the club, but we know that he loves it as he is always so excited to be going."
